Learn german in 6 days

TV-report about a german language school in Munich.

Watch the video!!! It's worth it.

A language is most easily learned in childhood. You learned your mother-tongue joyfully and effortlessly. Before you ever saw the inside of a school, you spoke freely with nary a care. You formed fluent sentences without having studied grammar.

The prize-winning Alpha College Method takes the natural learning behavior of children and scientifically adapts it for adults.
